

## Cordoba Academy Newsletter - September 2020

### Welcome Back To School!

We are excited to have our students back for the 2020-21 school year! Due to the current COVID-19 situation, and for the health and safety of our students and staff, we are operating classes remotely until further notice. We are committed to providing the highest level of academic excellence to our students. Our dedicated staff and faculty members are here to support your needs every step of the way during these uncertain times to ensure your child is meeting his or her educational needs.

### Distance Learning Tips

1. Create a special, personalized space for learning. Set up a chair and desk with your child's favorite stationary items and artwork.
2. Establish a routine. Have your child wake up, brush their teeth, and get dressed at a set time.
3. Eat a nutritious breakfast.
4. Pack your child a fun lunch to look forward to.
5. Do stretches or some physical activity during screen breaks. Get the blood flowing and energy going!
6. Respect your child's privacy while they're in class. Your child may be shy to participate if you're watching.
7. Stay in communication with your child's teachers.
